Sub: NFIR's PNM Item No. 12/2015: Maintenance of cleanliness on trains and at stations etc.-implementation of Food Safety and Standard Act, 2006 in Railways.

Ref:- EnHM/ Railway Board's letter No. 2019/EnHM/07/01 dated 07.03.2019.

Medical department is parental department of Health & Malaria Inspectors (H&MIs). Medical Department is the cadre controlling authority for H&MIs. The seniority, promotions & inter unit transfers are done by medical department. However, the reporting of H&MIs posted for cleanliness/sanitation activities at the station has been made to Station in-charge owing to single point responsibility of cleanliness/sanitation at the station entrusted to them. Also the seniority, promotion of H&MIs posted at the station and colony are common and there is no division between them in any establishments matter.

DAR & APAR of H&MIs, it is to be appreciated that disciplinary matter are directly related to the day to day working and hence it should be with reporting officer. For the same reason, APAR should be initiated by reporting officer, reviewed by medical officer and accepted by usual accepting authority (DRM/ADRM).

This is for information and implementation.
