The contents of Railway Board's letter No. TC-I/2017/109/5 dated 24.11.2017 (Addendum- 3 Rates Master Circular Weighment/2014/0) is reproduced below for your information and guidance.

Please refer to Para 3.0 of Rates Master Circular and Rates Circular No.1 of 2017 under reference regarding exemption from weighment of the commodities loaded in standard bags of uniform size.

The matter has been examined and it has been decided to prescribe guidelines for dispensation from mandatory (100%) weighment in the case of container rake loaded with containers filled with standard bags of uniform size, by inserting additional Para 3.1.1 in Rates Master Circular/Weighment/2014/0, as under:

Contd..2

" 3.1.1 Dispensation from mandatory (100%) weighment in case of container rake loaded with containers carrying standard bags of uniform size.

Dispensation from mandatory (100%) weighment may be permitted in the case of container rake loaded with containers carrying 'Standard bags of uniform size'. While booking , the operator will give a written undertaking in the forwarding note that the 'bags in the containers are standard bags of uniform size filled with uniform weight of commodity'. It may be ensured that no commodity in any form other than standard bags of uniform size is loaded in the rake. Random surprise weighment at EIMWBs may be conducted by Vigilance and/or Commercial Departments for container rakes of bagged consignment. Orders for such checks should be given by Vigilance Officer in SAG grade and higher and by Commercial Officers in SAG and higher, in addition to DRMs and GMs.

The above -mentioned guidelines will be implemented with effect from 25th November 2017 and will remain valid for a period of six months i.e. upto 24th May 2018.

Zonal Railways may furnish their feedback after three months period.

This issues in consultation with Traffic Transportation Dte. and with the concurrence of Finance Dte. of Ministry of Railways.

All concerned to note and act accordingly.
