Sub: Haulage Charge for movement of Liquid Medical Oxygen in containers by Container Train Operators (CTOs)

Ref: (i) Rates Master Circular/CRT-CCR/Hub&Spoke/2015/0 and its corrigenda
(ii) Rates Circular No.20 of 2018 and its corrigenda
(iii) Rates Circular No.16 of 2021 and corrigenda

Reference has been received from CONCOR regarding Haulage Charge for movement of Liquid Medical Oxygen in containers.

The matter has been examined and following guidelines are issued regarding Haulage Charge for movement of Liquid Medical Oxygen (LMO) in containers by Container Train Operators (CTOs) -

1. In case of container rake loaded with the containers carrying Liquid Medical Oxygen (LMO), Haulage Charge will be levied on 'Haulage Charge per TEU' basis. However, no Haulage Charge will be levied for empty flats in the rake. The operator shall mobilize additional LMO from other consignors so as to obviate any empty flat movement.
2. Busy Season Charge and Development Charge shall not be levied.
3. For handling of such rake at Container Rail Terminal, no Terminal Access Charge shall be levied.
4. Extant guidelines regarding permissible free time for loading/unloading shall be applicable.
5. In the return direction, CTO is likely to move empty containers and left over BLC as flat. The empty containers should be charged as per TEU under FAK and flats without any haulage charge.
6. Extant guidelines for movement of LMO in containers as per Red Tariff shall be followed. Necessary precaution in the safe transportation of liquid oxygen should be ensured by the operator.
7. All other extant guidelines as prescribed for container traffic shall be applicable.
8. This will be available till 15th October 2021.

Sub: Freight Advance in case of movement of Liquid Medical Oxygen

Ref: (i) Rates Circular No.1 of 2020

(ii) Rates Circular No.16 of 2021 and its corrigendum dated 19.04.2021

Please refer to Rates Circular No.1 of 2020 regarding Freight Advance Scheme and Rates Circular No.16 of 2021 & its corrigendum dated 19.04 2021 regarding transportation of Liquid Medical Oxygen by rail.

Request has been received from State Government of Uttar Pradesh proposing freight advance for movement of Liquid Medical Oxygen.

The matter has been examined and following guidelines are issued regarding Wagon Registration Fee and preparation of Railway Receipt (RR) for movement of Liquid Medical Oxygen by State Government authorities **when Freight is paid in advance -**

1. The amount of Freight Advance will be deposited by the State Government with concerned Zonal Railway (i.e. bank account of Principal Financial Adviser of the Zonal Railway). Concerned ZRs will coordinate with respective States/UTs (e.g. Northern Railway will coordinate with state of UP). List of ZRs and States/UTs is annexed.
2. There won't be any requirement of agreement as Freight in advance is being paid by State Government.
3. There won't be any minimum amount as Freight Advance or E-payment customer criteria.
4. District Magistrate or his/her representative will place the indent.
5. No Wagon Registration Fee (WRF) will be required to be paid at the time of registration of indent. However, an amount equal to WRF will be collected, if indent is cancelled under any of the circumstances notified in Rule 201(15) of Goods Tariff.
6. RRs will be prepared against the Freight Advance as per existing modalities in CRIS/FOIS.
7. FOIS shall track & flag when the remaining balance of Freight Advance is average freight of two rakes and generation of RR from Freight Advance shall stop at this point. The customer shall be

1

informed for depositing additional amount as per their requirement. Railway shall refund to the customer unutilized advance, if any.

8. Monthly reconciliation may be done by the Nodal Railway in consultation with CRIS/FOIS.
9. Other instructions mentioned in Rates Circular No.16 of 2021 & its corrigendum will be followed.
10. This will be available till 15th October 2021.

This issues in consultation with TT Directorate and concurrence of Finance and Accounts Directorates of Ministry of Railways.

No.TCR/1147/2021/covid relief/3351492

Dated : 16.04.2021

The General Manager,
All Indian Railways

Sub : Transportation of Liquid Medical Oxygen on Cryogenic tankers by Rail

1. Request has been received from the Principal Secretary, Government of Maharashtra, Public Health department for subject transportation.

2. Matter has been examined. Competent authority has approved transportations of Liquid Medical Oxygen in cryogenic tankers under Roll on-Roll off (Ro-Ro) scheme utilizing DBKM/BOM, BRN etc. as a special case as under:

2.1 Class of charge for truck /tanker will be LR3 and in respect of payload including gas shall be class 120 under train load. In case of wagon load the charge will be 10% more than train load as per Rates Circular 09 of 2021.

2.2 The other conditions are notified as under:

- i. Payload indicated at road weighbridge which is duly certified by legal metrology department of State Government or invoiced weight issued for the purpose of GST be taken as chargeable weight. In no case, the overall weight of the truck and the payload shall exceed the PCC laid down for the wagon.
- ii. In case of return direction the charging shall be as per para 2(i) above excluding weight of gas.
- iii. Busy Season Charge and Development Charge shall not be levied. However, Goods and Service Tax and other taxes/surcharges/cess shall be levied as per extant guidelines.
- iv. Standard rake size of DBKM/BOM/BRN etc. shall be governed as per extant guidelines.
- v. Terminal Charge shall be levied as per extant policy.
- vi. Free time of five hours each shall be allowed at loading and unloading point.
- vii. Securing of trucks by locks/lashing shall be ensured by the customer.
- viii. The guidelines given in Red Tariff No.20 for movement of Liquid Oxygen shall have to be followed.
- ix. Person(s) accompanying trucks shall have to purchase 2nd class tickets (ordinary fare) for the journey. A maximum of 2 persons per truck including driver shall be permitted.
- x. Necessary precaution in the safe transportation of liquid oxygen should be ensured by the consignor.

3. These instructions shall come into force with immediate effect and shall remain in force till 15th Oct'2021.

4. This issues in consultation of TT Directorate and with the concurrence of Finance Directorate of Ministry of Railways.
