प्रस्तावना

आपदाएं अप्रत्याशित होती हैं । विश्व भर में विभिन्न कारणों से छोटी-बड़ी आपदाएं आती रहती हैं जैसे प्राकृतिक आपदाएं, मानवीय गलतियों के कारण घटित होने वाली आपदाएं इत्यादि । रेल नेटवर्क के संदर्भ में आपदा प्रबंधन का महत्वपूर्ण स्थान है ।

आपदाओं के दुष्परिणामों को कम करने तथा उनकी त्रासदी से भलीभांति निपटने के लिए आपदा के पश्चात राहत एवं बचाव कार्य हेतु संबंधित व्यक्तियों एवं संस्थाओं तक यथाशीघ्र इसकी जानकारी पहुंचाना बहुत ही महत्वपूर्ण होता है ताकि राहत, बचाव एवं पुनः स्थापन का कार्य त्वरित एवं प्रभावी रूप से प्रारंभ किया जा सके ।

समय पर सूचनाएं प्राप्त होने से उसके दुष्प्रभावों को कम करने में काफी सहायता मिलती है । अतः इसी उद्देश्य की पूर्ति हेतु संरक्षा विभाग, रायपुर मंडल द्वारा आपदा प्रबंधन योजना 2023 भाग-2 नामक पुस्तिका का प्रकाशन किया जा रहा है। जिसमें आपात स्थिति में संपर्क की जाने वाली संस्था / व्यक्ति का अद्यतन संपर्क नंबर संकलित है ।

मुझे पूर्ण विश्वास है कि यह पुस्तिका आपदाओं से निपटने एवं उससे होने वाली हानि को न्यूनतम करने में निश्चित रूप से सहायक एवं उपयोगी सिद्ध होगी । मैं इसके सफल प्रकाशन हेतु हार्दिक शुभकामनाएं देता हूँ ।

PREFACE

The revised edition of disaster management plan 2023 of Raipur division is hereby presented with a sense of responsibility and pleasure.

Disaster is a crisis situation that exceeds the capacities and as per the definition, " Disaster is a serious train accident or an untoward event of grave nature, either on railway premises or arising out of railway activity in that area, due to natural or manmade causes, that may lead to loss of many lives and/or grievous injuries to large number of people and/or severe disruption of traffic, necessitating, large scale help from other Government, non-Government and private organizations". To ensure preparedness and mobilization of resources to meet challenges posed by such situations, a detailed mapping of resources and their allocation plan, the agencies involved and duty lists of various officials at different levels has been presented in this plan by the safety department. Additional and relevant subjects like chemical, nuclear and biological disaster management have also been added. Prime minister's Ten-Point agenda for Disaster Risk Reduction and SOP on COVID-19 pandemic has been included for ready reference. Through proper understanding of these hazards and assessing behavior of the organization as a reaction to such hazards, there would be preparedness with the organization where disasters would be affecting the well being of passengers and transit of goods eventually affecting the economy of the country.

As per Railway Board Letter No. 2009/Safety (DM)/6/14 Dated 09.07.2015 Part-II is prepared with new list of Contact numbers. As a new feature, availability of Road Cranes, Poclain, JCBs has been added for readily availability in case of Major Disasters.

Information technology plays a vital role to plan for disaster redressal particularly at the time of "Golden Hour". In order to expedite various activities disaster management plan 2023, Part -2 is prepared as ready reckoner of information to contact concerned authorities by all front line as well as decision taking authorities.

Any suggestion in this regard for would be always welcome.

35. NATIONAL DISASTER RESPONSE FORCE (NDRF)

Location, Constitution and Functions

These have been formed under the Disaster Management Act at 9 selected locations in the country for dealing with relief and rescue operations related to all types of disasters. These battalions have been made from para military forces i.e., CRPF, CISF, ITBP and BSF and have been placed in different parts of the country as per the list below. Raising of one more NDRF battalions at Guntur (Andhra Pradesh) has been approved by the Government and necessary actions have been initiated in this regard. DG, Civil Defence under MHA is additionally looking after the work of NDRF at the center. Each Battalion has 6 Companies comprising of 3 teams each. Team comprises of 45 men out of which 24 are for search and rescue and balance 21 for support functions. Short-listed and trained staff are on deputation in NDRF. These Battalions are also equipped to handle NBC (Nuclear, Chemical and Biological) disasters.

As per the Disaster Management Act, various Ministries and departments under Government of India should join hands for mutual assistance in case of a disaster. Assistance from local government and Non-Government agencies is invariably required by the railway administration for prompt relief and rescue operation in case of disaster affecting railways and, therefore, assistance of NDRF could be of great help to the railways. The rail infrastructure is not in an island away from the civil areas (of the Districts/States). In most cases of a disaster, other than a train accident, the State governments as well as the zonal railways would, therefore, requisition the NDRF simultaneously (for the same disaster). Coordination amongst the affected agencies (many departments of the Central Government and the States) is very important before the help of NDRF is required.

Coordination with NDRF

Zonal Railways should get in touch with NDRF offices at the nearby locations to have the first hand knowledge of the resource available with them and also to familiarize them with railway related disaster situations and expose them to the issues relevant to the rescue and relief of passengers during railway accident. It has also been advised to associate NDRF in full scale exercise that is held once every year. There are no charges for availing the services of NDRF except the rail transportation which railways may provide at their cost for attending to rail disasters. Railways may also have to provide rail transportation logistics for transporting NDRF even in case of non-railway exigencies.

The Railway Board had earlier empowered DRMs to directly requisition the relevant NDRF battalion for relief and rescue operations depending on the gravity of situation so that their services could be made available expeditiously without any loss of time. However in the cabinet meeting held on 22nd October 2009, the National Policy on the Disaster Management has been approved. This Policy lays down modalities for the requisitioning of NDRF as under:-

The general superintendence, direction and control of this force shall be vested in and exercised by the NDMA and the command and supervision of the force shall vest in an officer to be appointed by the Central Government as the Director General of Civil Defence and National Disaster Response Force. Board's policy directions given to the Zonal Railways that the DRMs can directly approach for requisitioning the services of the NDRF now stand revised. The need for the services of the NDRF shall be communicated in a centralized manner by the Zonal Railways through the NDMA only.

Requisitioning in the help of NDRF for relief and rescue operations in case of serious Railway accidents.
