Terms of reference of the work for re-engagement of retired Railway Officers as Consultant.

In short, following will be Duties of retired Railway officers to be engaged as Consultants:-

1. The duties of a retired Civil Engineering Railway Officer engaged as a consultant primarily involve providing expertise and technical assistance without holding independent charge or financial/disciplinary powers.
2. Inspections and Supervision: Carrying out inspections and supervising ongoing railway projects, maintenance works, and assets to ensure safety and proper functioning.
3. Technical Guidance: Providing technical input and recommendations on civil engineering matters, such as track, bridges, tunnels, station buildings, and other infrastructure.
4. Drawing and Design: Assisting in the preparation, checking, and verification of plans, drawings, and estimates for various works.
5. Project Monitoring: Monitoring the progress of sanctioned works and project implementation, and preparing related reports.
6. Documentation and Reporting: Compiling and submitting periodical reports and replies to Headquarters/Railway Board, and handling correspondence related to the engineering section.
7. Compliance: Ensuring compliance with existing rules, orders, standard operating procedures (SOPs), and various codes and manuals like the Indian Railways Permanent Way Manual, Indian Railways Works Manual, and Indian Railways Bridge Manual.
8. Issue Resolution: Attending to failures, breakdowns, and issues related to land matters (encroachments, leasing, etc.) as required.

Key Limitations:

- Consultants do not have financial or D&AR (Discipline and Appeal Rules) powers.
- They cannot be in independent charge of a unit or issue safety certificates.
- They may offer recommendations to regular officers on financial and other matters.

The exact duties may vary based on the specific requirements of the engaging railway unit and the retired officer's rank and expertise at the time of retirement.
