No.TC-I/2005/108/3 Pt.III

New Delhi, dt: 28 .09.2018

General Manager  
All Zonal Railways

**Sub: Continuance of Static weighbridges in certain locations**  
Ref: Para 3.5 of Rates Master Circular/Provision of Weighbridge/2014/0 and its  
Corrigendum No.8 dt.13.03.2018

In terms of Para 3.5 of Rates Master Circular under reference, exemption from replacement of static weighbridges with electronic in-motion weighbridges(EIMWBs) has been permitted in specific cases over SECR, ECR & SER upto 30.09.2018 as per Corrigendum No.8 dt.13.03.2018. Details of these sidings are as under:

- SECR - SAIL/Bhilai Steel Plant and collieries sidings of M/s SECL
- ECR - Static weighbridge of M/s CCL at Kathara(W), Kathara(M), Giddi 'A'(W), Giddi 'A'(R) & West Sirka; and of M/s NCL at Jhingurdah
- SER - Rajarappa Washery of M/s CCL

While extending exemptions, Zonal Railways were advised to ensure compliance of Board's guidelines for replacement of static weighbridges with EIMWBs or notifying associate/alternate associate EIMWBs for above-mentioned locations without any further delay.

The matter has been reviewed. Competent Authority have now decided that Zonal Railways shall be empowered to take appropriate decision for continuance of aforesaid static weighbridges on joint recommendation of PCCM & PCOM and with the personal approval of GM, subject to fulfillment of all requisite formalities such as regular calibration etc. by the Railway Administration.

However, Zonal Railways should ensure that continuation of static weighbridge(s) do not entail any additional detention of rakes for completion of weighment process.

Accordingly, Para 3.5 of Rates Master Circular under reference stands modified.

This issues in consultation with Traffic Transportation Dte. and with the concurrence of Finance Dte. of the Ministry of Railways.
