No.TCR/1147/2019/01

New Delhi, Dated: 20.07.2019

**The General Managers,
All Indian Railways.**

Sub: Guidelines regarding transportation of relief material to the flood affected areas of Bihar and Assam States.

Indian Railway has decided to permit inter-state and intra-state free transport for aid and relief material by Goods trains/ Parcel Van, including in less than standard composition rakes, to Bihar & Assam States in wake of recent Floods. It may be noted that no freight is to be charged for transportation of relief material to Bihar & Assam States i.e. to all stations, as of now.

All Government organizations across the country can book relief material for free of cost to Bihar & Assam States. Other organizations, as deemed fit by Divisional Railway Managers (DRMs), may also avail of this provision. However, it may be ensured that consignor/ consignee is District Magistrate/ Deputy Commissioner in whose jurisdiction the dispatching/receiving station is situated.

All concerned may be advised that at the time of preparing Forwarding Note in TMS application, the Rate Type column shall be chosen as F-FREE TRAFFIC with a remark in as relief material for Bihar & Assam States. All such movement must be done with DRM's approval. In addition, all Zonal Railways must ensure detailed account of movement of relief material, along with manually calculated freight charges for future use, if any.

Since the transportation of relief material shall be undertaken free of charge, therefore, no ancillary charges like demurrage/wharfage or others charges are to be levied on the same.

Notwithstanding anything above, Central Government/ Indian Railways shall reserve the right to take appropriate decisions as per extant policy on the subject of transportation of relief material.

These guidelines shall remain effective till 31.08.2019 or till further orders, whichever is earlier.

This issues with the approval of Finance Directorate of Ministry of Railways.
