Sub :- System improvement in case of E-RR generation against
LC/BG.

Ref:- i) Dy CVO (T)/SECR Letter no. SECR/V/T-
III/519251/20190600441/1422 dated 17.09.2020.
ii) Corrigendum 2 of Rates Master Circular/E-Payment/2014/01
dated 03.02.2017

Vide letter under reference i), it has been pointed out that E-RRs are being generated against letter of Credit (LC)/ Bank Guarantee (BG) for E-payment of freight charges at JRGJ & RJN. but, relevant document/records regarding freight payment confirmation are not available at Goods office. As a result, freight payments could not be verified at the time of inspection.

As per E-payment guidelines E-RRs will be generate up to LC/BG limit in the following case:-

1. Network Error
2. System Error
3. Insufficient Fund.

Therefore, you are requested to advise all TMS locations that in case of E-RRs generated with figure 4 & 5 as the 8th digit RR number, it should be ensured that freight payment transaction is successfully completed and payment advise for E-RR Successful freight transaction details (from E-Payment log) should be attached with the concerned E-RRs, The same should be made available during inspections.
