No. TCR/1078/2019/2/TEFDPt.4/3320179 New Delhi, dated 18.08.2021

PCCM  
East Coast Railway  
Bhubaneswar

Sub: Clarification regarding applicability of TEFD for wagons indented to the actual wagons supplied- reg.

Ref: ECoR's letter No. PCCM/189/TEFD/829 dated 09.07.2021

Reference is invited to ECoR's letter under reference. The matter has been examined in consultation with Traffic Transportation Directorate of Railway Board.

The clarification on the subject issues are as under:

- Railway should supply wagon mix as per the demand of the customer. Further, grant of TEFD benefit depend on the actual type of wagons supplied for loading. Field users should report the actual type of wagons. CRIS may update the FOIS accordingly.
- CONCORD rake is a mixed steel rake and may be treated in the category of Flat wagons and mixed steel rake.
- As per Para 1.11(ii) of RC13 of 2021, in mixed rake composition, BOXN is mandatory. However, as per para (b) above, half rake of CONCORD may also be treated as mixed rake for the purpose of TEFD policy.
